

## Ronald McDonald House Charities® of Central Pennsylvania

# Take the "Change Challenge" for Ronald®

*It's time for "change" at Hershey's Ronald McDonald House® and you can help!*

Located across from the Penn State Hershey Children's Hospital, the Ronald McDonald House serves as a temporary home-away-from-home for families traveling to the Children's Hospital with a sick or injured child. Keeping families together is our number one priority at the Ronald McDonald House. In recent years, many families traveling to Penn State Hershey Children's Hospital with a seriously or critically ill child who is in need of treatment have been turned away because the Ronald McDonald House is at capacity.

Thanks to those who participated in 2009, we recently broke ground on an expansion that will allow us to welcome 15 additional families each night. As wait lists become a thing of the past we need your continued support to help us serve even more families without any cost to them.

### RMHC® of Central PA NEEDS YOUR HELP!

Please consider participating in this coin collection to help provide a home-away-from-home for the families of sick and injured children seeking treatment at Penn State Hershey Children's Hospital.

We are asking that you fill out the form at the bottom of the page and return it to Amy Leonard at the Ronald McDonald House. Ronald McDonald House has stickers for collection containers and will contact you to find out how many you need when they receive your form. Feel free to call or email with any questions. RMHC® of Central PA also invites your participation in our recycling program which turns aluminum can tabs and magazines into funds so that we can continue to serve families at no charge.
